TERMS OF SALE

1. The minimum total order that can be accepted is 50 cuttings.
2. Fifty of each variety is the minimum that can be supplied.
3. More than 50 of a variety must be in multiples of 50.
4. No C.O.D. orders.
5. **SAFE ARRIVAL** cannot be guaranteed. All shipments must be in satisfactory condition before being accepted by the common carrier. Our responsibility ceases upon receipt of shipment by their agent. If shipment arrives in bad order, i.e., broken, frozen or heated, call your express agent, have him inspect shipment and mark condition on the express receipt. Customer must file claim against the common carrier.

SUBSTITUTIONS. To avoid substitutions, place your order 6 months before delivery date.

CHANGES OR CANCELLATIONS on orders must be received at least 30 days before shipping date!

We, Geo. K. Groff, act as agents for the growers, and we do not warrant in any way, expressed or implied, the description, quality, productiveness or any other matter of any cuttings or plants sold by us. We, further, will in no way be responsible for failure to deliver on dates requested.

If the customer does not accept the goods on above terms he must return them at once, and money will be refunded or proper credit given. We exercise, however, the greatest care to fill our orders with the highest quality possible, as it is our constant aim to give our customers fullest satisfaction.

All goods are offered subject to crop failures, shortages or other causes beyond our control and to being unsold on receipt of order, and we reserve the right to advance prices without notice.

GARDEN (Hardy) VARIETIES

NEW DEPETRIS VARIETIES

Orloma. Luminous apricot bronze, full decorative type. Bushy cushion habit of growth and very free and durable. Early, blooming September 15.

Madame Cadillac. Mulberry wine red, solid large Pompon type of great substance. Strong, bushy and compact habit. Blooms by September 20 and lasts well into late October.

Dwight Douglas. Dazzling golden yellow decorative. Medium tall and very free and excellent for cutting. Blooms October 5 to 8.

Orsona. Reddish bronze, full decorative type. Very good bushy growth. Very desirable and showy. Blooms September 20-25.

Orpheus. Brilliant Roman red, large Pompon with perfect full form and very hard substance. Excellent strong and long stems with perfect spray formation. Very vigorous, clean, upright growth. Matures October 10-12. This variety is equal if not superior to any cloth house red now in existence. Blooming nicely for early October and can be shaded to bloom in late August and early September without fading.

Miguel. Radiant raspberry red decorative type with good keeping qualities. Good growth and stem. An excellent cut flower. Blooms October 8-10.

Genista. Very early solid yellow Pompon of good size. Dwarf bushy habit. Blooms from the end of August but in full bloom by September 12.

Prices above 7 varieties, each: 50 cuttings for **\$7.50**; 100-250, **\$14.50** per 100; 300-450, **\$14.00** per 100; 500-950, **\$13.50** per 100; 1000-2450, **\$13.00** per 100; 2500-up, **\$12.50** per 100.

Garden Varieties for Pot Plants

Consider the Garden Mums as spring pot plants. The collection described at the left consists of varieties particularly suited to spring pot plant forcing. The obvious selling point is that these flowering pot plants may be pinched back and planted outdoors for fall flowering in the garden.
